

**Colorado Seed Potato Act
Insufficient Cultivar Availability Exemption Application**

Name of Applicant: _____ **Phone No.** _____

Address: _____ **City:** _____ **Zip Code:** _____

35-27.3-105. (3) In any year that the Commissioner, after consulting with the advisory committee, determines that there is an insufficient volume of any cultivar of certified seed potatoes and seed potatoes meeting the requirements of subsection (2) of this section, potato growers may apply to the advisory committee for permission to plant uncertified seed potatoes. Upon recommendation from the advisory committee, the commissioner may grant applying growers permission to plant uncertified Colorado grown seed potatoes. Any such permission shall be valid for only that growing season. In no event shall any seed potatoes be planted when bacterial ring rot, late blight, or an unacceptable level of community diseases is present in the seed potatoes.

Cultivar (variety) wanted to plant: _____

Acres to be planted: _____ **Number of hundredweight needed for planting:** _____
